

ARCHERY PROGRAM WAIVER & RELEASE
IMPORTANT INFORMATION

The Byron Forest Preserve District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Byron Forest Preserve District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational programs/activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Archery is intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury. All hazards and dangers cannot be foreseen. The very nature of archery is hazardous and risky. Inherent risks include, but are not limited to, getting hit by an arrow, self-inflicted wounds, improper shooting technique, carelessness of other archers, lack of proper protection, poor range conditions, poorly selected and maintained equipment, lack of conditioning, horseplay, carelessness, poor pulling technique, splintering of the arrow, inadequate supervision or instruction, premises defects, and other risks inherent to archery. In this regard, it is impossible for the Byron Forest Preserve District to guarantee absolute safety.
